

## Appendix C

### Suggestive Project Diary Format

<b>Week No.: 1</b>
<b>Activities Planned:</b> Finalization of project team
<b>Activities Executed:</b> We finalize our project team on the bases of A mixture of team members each with a different set of skills and abilities, rather than a series of clones all with identical skills.
<b>Reason for delay if any:</b>
<b>Corrective Measures adapted:</b> Mrs. A.A. Deshpande Mam head of dept. Selected our project team members on our set of skills. The finalized team members of our Capstone project are: <ol style="list-style-type: none"><li>1. Aniket Pawar</li><li>2. Ruchika Satras</li><li>3. Priyanka Chinchwade</li><li>4. Rohit Palekar</li></ol>
<b>Remark and signature of the Guide:</b>

<b>Week No.: 2</b>
<b>Activities Planned:</b> Finding capstone project
<b>Activities Executed:</b> On bases of following criteria we started to find our project topic:- <ol style="list-style-type: none"> <li>1. Relation to diploma Programme curriculum</li> <li>2. Abilities possessed by the group of students</li> </ol> Resource available
<b>Reason for delay if any:</b>
<b>Corrective Measures adapted:</b> On the basis of criteria, we search projects on various web sites. We have searched and collected the information about various project topics.
<b>Remark and signature of the Guide:</b>

**Week No.: 3**
